Hi I'm Jane. I am 15 years old. I am a student at a high school. I wake up at 6 AM every morning. First, I go jogging then I have a big breakfast.

My lessons begin at 8 AM. We have compulsory subjects until the lunch break at noon. After lunch from 12:30 PM to 3 PM we study are optional subjects.

When I come back home, I usually have some snacks such as tea and a small sandwich. I start my homework at 5:30 PM. After I finished my studies, I watch TV with my family. After dinner I often surf the net for my school projects in the evening. Before I go to bed I listen to some music or read a book. I often sleep at 11 PM.

What time does Jane wake up every morning?
 What time does her lessons start?
 What does she have after she comes back home?
 What does she do after dinner?
 What time does she sleep?
