Frogs live on land and in water. They have strong and long back legs and short bodies, so they are (13)\_\_\_\_\_ jumping. Frogs have big eyes and these eyes stick out, so some people think they are ugly animals. Some are even afraid of frogs because they think frogs are (14)\_\_\_\_\_ animals but some people love them.

Frogs have their own way of communication. When a he-frog wants to find a ‘girlfriend’, he makes a typical sound and this is a/an (15)\_\_\_\_\_ to the she-frog. When a group of frogs look for friends at the same time, it gets really (16)\_\_\_\_\_. It becomes impossible to hear anything!!!

These small animals are also a part of fairy tales. A beautiful princess kisses a frog, and the ‘ugly’ frog turns into a handsome young prince!
