5x2 points

Our town is older and more beautiful than the neighbouring towns. There is a square in the town centre. It's called Market Square because there is a market there every morning. Once a year there is a folk festival in Market Square, too.

The statue is the symbol of the square. It stands in the middle of a pond and people throw coins in that pond. It is the statue of the last mayor of the town. Everyone liked him very much because he treated towns people fairly and equally. When you look at the apartment buildings in the square, you would like to live in one of them. They are famous for the best view in the town.

The square is called the Market Square, because there is a market	
There is a market there every evening.	
The last mayor is liked by people. Therefore, the statue is the symbol of the square.

5x2 points

Now I live in England, but I think my favourite countries are Japan and Mexico, mainly because of the food and the weather. As you know, the weather in England is often very cold, grey and quite wet. In Mexico, it is much hotter (hot), the sky is much _____ (blue) and there is _____ (little) rain there, so it is lovely. Japan is lovely, also. It gets _____ (much-rain) than Mexico in the summer and it is _____ (cold) than Mexico in the winter, but it is still _____ (sunny) than England.

SUCCESS!
